Join us in welcoming back fourteen cyclists from Hampshire College who set out on an ambitious 3,600+ mile cross-country journey from San Francisco, CA to Amherst, MA, to celebrate cooperatives and the co-operative movement. They have traveled cross-country to meet co-operators and co-operative minded individuals, strengthen co-operative regional networks and spread the word about co-operative businesses. From Portland, OR to Columbus, OH, and numerous points in between, they have been doing just that. Help us show these riders just how strong the cooperative spirit is in the Pioneer Valley!

Join us for:

- Displays by Co-operatives showcasing product and food samples
- Great raffle prizes and giveaways from area co-ops
- Sandwiches and Salads, courtesy of River Valley Market

All proceeds from food and raffle ticket sales will go towards defraying the cost of Co-Cycle programming.
