

Transition Amherst

Invites you to a movie screening of

In Transition 2.0 is an inspirational immersion in the transition movement gathering stories from around the world of ordinary people doing extraordinary things. You'll hear about communities printing their own money, growing food everywhere, localising their economies and setting up community power stations. It's an idea that has gone viral, a social experiment that is about responding to uncertain times with solutions and optimism. In a world that is awash with gloom, here is a story of hope, ingenuity and the power of growing vegetables in unexpected places.
